

Panel & Tackboard Fabrics

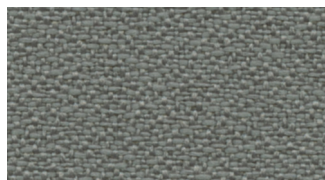

We use Guilford of Maine fabrics which are manufactured in the USA and are all made with recycled content. Fabrics listed below are for styling/texture purposes- please pick your desired color at guilfordofmaine.com/panel. We have access to countless fabrics so if you don't see what you like, please ask.

 Fabrics with arrow icon indicate either Guilford Terratex® made from 100% pre and post consumer recycled polyester or Guilford Clean Impact Textiles™ made from 100% post-consumer recycled ocean waste and polyester. Read more at NWrefinishing.com/sustainability
